Adventure Summary

You traveled to the Chelaxian port city of Hinji to investigate the disappearance of four junior Pathfinder agents who vanished on a routine mission to catalogue a collection of heirlooms belonging to House Junianis. As you investigated the missing agents' lodgings and gathered rumors from locals, you discovered clues that led you to various hideouts and safe houses of the drug-peddling gang known as the Daughters of Cocytus. You discovered a trail of bodies—and one surviving agent—along the way. Eventually, your search took you through the sewers of Hinji and to the gang's headquarters, culminating in a showdown against the gang leader and her will-o'-wisp accomplice and the discovery of one more missing Pathfinder.
