Adventure Summary

You were preparing for your next mission at the Grand Lodge when a group of shadowy infiltrators attacked! You were tasked with responding to the attack and fended off a number of attackers. You learned that the would-be infiltrators had spread throughout the Grand Lodge, and you acted quickly to track them down and neutralize the threats. Your actions, combined with new defenses implemented by Toldrar, the Grand Lodge's new head of security, quickly routed the infiltrators. You learned of one final infiltrator holdout and fought through the last remaining attackers and their shadow construct to find the group's leader, who slipped through your fingers at the last moment.
