Adventure Summary

It's hard to say whether the undead, the crocodiles, or the goblin play was the most harrowing challenge you faced, but hopefully the decisions you made will all work out for the best. With goblins and ancient undead involved, what could possibly go wrong?

Boons

Blast from the Past (General): You chose to deliver the undead Marcon Tinol to Venture-Captain Drandle Dreng, trusting in the experienced Pathfinder's ability to deal with the undead safely. This boon will have unique benefits and consequences when slotted in a future scenario.

To Seal and Protect (General): You chose to destroy the undead Marcon Tinol, unwilling to risk the consequences of turning the ancient undead loose upon the world. This boon will have unique benefits and consequences in a future scenario.
