Adventure Summary

You traveled to Pimatsih, a small city within Sarkoris, to follow up on a lead about Hesla Embersplitter's next steps. After speaking with Kishna Meltcaller and Khione Thidos, you ventured into the badlands to find the mysterious cave system known as Deskari's Gullet. While exploring, you had the chance to meet with traveling Sarkorians, to see both threatening and amazing events, and to find the cave system. As you made your way through the gullet, you located information about Hesla's true feelings toward the Cult of the Screaming Grub and managed to run into her just as she finished an occult ritual and obtained *Riftcarver*, Deskari's scythe. After fighting your way through a horde of demons, you escaped a cave-in while being led by three strange snow leopards who then sent you back to Kishna Meltcaller.
