Adventure Summary

It seems the River Kingdoms have always been a land where kings can rise and fall in the span of a day, and the events you experienced in Artume proved how fragile peace really is in this region. For good or ill, your actions have shaped Artume in a way that will impact the region for years to come. Or at least until the next time the throne changes hands.

Boons

☐☐☐ **River Kingdoms Politician (General):** You have made yourself, one way or another, a known quantity in the realm of River Kingdoms politics. Upon completing an adventure set in the River Kingdoms or Razmiran, you may check a box next to this boon when using your downtime to Earn Income to participate in the political intrigues of the region, allowing you find an Earn Income task of up to your level +1. Once all three boxes next to this boon are checked, this boon has a special effect in a future adventure.
