Adventure Summary

You met with Venture-Captain Finze Bellaugh in the capital city of Anthusis in Vidrian. There, he showed you a magic bell that he believed was made to protect a community of Song'o halflings from the attacks of ravenous fey. The venture-captain tasked you with learning where the bell came from so you could return it to its keepers.

After learning where to look, you set off through the Laughing Jungle to return the bell, dealing with vicious fauna along the way. Upon reaching the Song'o village, you joined the community in a friendly meal, during which you learned some of the bell's dark history. While the community leaders lured the ravenous fey with a mysterious ritual, you led a counterattack to help free the community from the fey leader's cruel bargain!
