Scenario #2-07
Attack at the Freemarkets

Character Chronicle #

Character Name | Organized Play # | Character #

Adventure Summary

You were asked by Venture-Captain Arvin to search the Freemarkets for signs of an upcoming attack by the traitorous Starfinder Brelomari. You met with Mr. Philt, the Head Inspector of the Freemarkets, and discovered that Brelomari had been using a vacant storefront to make plans. While investigating her computer, you were set upon by hacked tax-class security robots. You chased a cultist to the site of the attack and defeated the Bloodlet Key's plans, learning the cult's name as well as the name of another high-ranking member: Hemoga Lifecrusher.

Boons

Congratulations on completing the adventure! You've earned Starfinder Society (second edition) Achievement Points, a currency that can be redeemed on our website at paizo.com for special character boons! To redeem your Achievement Points, go to paizo.com/organizedPlay/myAccount and click on the Boons tab. Note that you must have created a paizo.com account and registered a character before you can begin making Achievement Point transactions.

Attack at the Freemarkets (Boon): You discovered a tech item Brelomari installed into her computer to shock nosy snoops. This character gains access to the shock drive, allowing you to purchase it.

SHOCK DRIVE — ITEM 1+

UNCOMMON | CONSUMABLE | ELECTRICITY | TECH | TRAP

Usage Installed in a tech device; **Bulk** L

You can spend 10 minutes to install a shock drive into a computer or similar tech device using a hacking kit or a repair kit. An Installed shock drive is a trap with a Stealth DC and can be uninstalled with Disable Device using Computers, Crafting, or Thievery using a hacking toolkit or infiltrator's toolkit. If a creature attempts to Access or Hack a device with an installed shock drive, the shock drive deals nonlethal electricity damage to the triggering creature (basic Reflex save) and destroys itself.

Type commercial; **Level** 1; **Price** 15 credits
The DCs are 15 and the electricity damage is 2d4.

Type tactical; **Level** 3; **Price** 90 credits
The DCs are 18 and the electricity damage is 4d4.

Type advanced; **Level** 5; **Price** 130 credits
The DCs are 20 and the electricity damage is 6d4.
