Adventure Summary

You followed the message of Urwal of the Verdant Wheel faction to travel to Iobaria. There you partook in a series of lighthearted tests before learning that Urwal needed to enter a trance to find a mysterious beckoner. You protected Urwal during his trance, battling against forest predators and a brief demonic incursion. Urwal reached his destination, and you met with the green dragon Jadirahx, who promised to impart important information about a missing member of the Decemvirate. You ☐ listened to the dragon's dying words without risking your life to save it, or you ☐ helped Urwal enact a ritual to save Jadirahx by battling the rot that consumed her. Regardless of your choice, you learned the identity of the missing Decemvirate member: Venture-Captain Drandle Dreng.
