Adventure Summary

You were sent to search for Pathfinders who failed to report back from the Society's new lodge in Sedeq, Qadira. When you arrived, you found a dilapidated, abandoned building and discovered a bound djinni vizier named Safa was holding the other agents hostage at the behest of a cruel genie binder.

The djinni demanded you accomplish three tasks in exchange for the safe return of the Pathfinders: embarrass an arrogant socialite, recover components for a magical flask, and defeat the pirate captain of the *Swift Huntress*, part of the hobgoblin pirate consortium known as the Iron Ring. Once you returned to the lodge, you were addressed by the unseen genie binder and forced to fight in the genie's elemental palace. Safa twisted the genie binder's demands and returned the lodge to its former grandeur before departing.
