Adventure Summary

You rode a plane-hopping airship, the *Gale's Claw*, to the Netherworld. On the way you fought beings of nightmare in the space between dimensions. After defeating those creatures, you reached the Netherworld proper, soaring to the warshard's location, a fortress cloaked in a shadowy force field. You broke through the force field ☐ with the aid of some friendly shadow giants ☐ without any external aid and entered the fortress's rocky grounds. There, you contended with haunted cyclones and giant spiders infused with a lich's mythic power before entering the fortress proper. Within the fortress, you faced its defenses before entering a dimensionally twisted maze of imprisoned souls. On the other side of the maze, you confronted Penumbra, a lich imbued with mythic power, recovering the warshard before she could absorb its power completely.
