Adventure Summary

You partook in a series of upkeep training exercises while between missions at the Grand Lodge. You successfully completed a collection-based trial for the Master of Scrolls. You managed to overcome several unique challenges with randomly allotted equipment for the Master of Spells. You defeated waves of enemies, including a drake, for the Master of Swords. Finally, after all your trials, you were escorted to a noble Pathfinder's estate for some well-earned rest. Waking in the morning to the sounds of battle, you fended off assailants to the manor and protected its servants. This last assault was not what it seemed, however; it was the elaborately staged final trial from the Society's three deans, which you passed expertly.
