## Adventure Summary

You and your allies helped Laela Vost recover goods from the *Infidius*, a Chelaxian ship that crashed off the stormy coast of Kintargo in Ravounel. Navigating the treacherous waters, you disembarked Laela's skiff and salvaged what treasures you could find from the submerged hull. As you searched the ship, a school of grindylows ambushed you, riding on a crashing wave! After defeating them, you brought what spoils you could carry back to Laela and celebrated a successful expedition at Clenchjaw's tavern.
