Adventure Summary

Tasked by the Decemvirate, you magically travelled to the distant lands of Sarkoris to enlist the assistance of Nelket the god caller and Dolok Darkfur of the Farheaven Clan. When you arrived, you found that Dolok was in the midst of enacting a powerful ritual to cleanse a nearby forest. Using feathers granted by the eidolon that summoned magical trees, you held off two assaults by waves of demonic attackers. Following this, you met with several prominent members of the Farheaven Clan and their allies. Finally, a worshipper of the demon lord Urxehl dispatched a subterranean force to attack the ritual site from below. You and your allies managed to stop the attackers and secure Dolok and Nelket's aid in future missions.
