Adventure Summary

What began as a normal field trip for the students of Dacilane Academy almost ended in disaster when you and their other Pathfinder agent chaperones discovered that you'd vanished to another phase of reality, leaving the students to explore Woodsedge Lodge on their own! You found a way to communicate with the students, helped them finish their assignments, learned that the chaos at Woodsedge Lodge was the result of a protean's meddling, and found a way back to reality.
