Adventure Summary

At the request of First Guard Pyl Gillseed, you ventured into the Cairnlands to the Neysa minotaur community. Once there, you agreed to help Antiope, a painter and mother within the community, by investigating the disappearance of four young adults who had been sent to gather ingredients. In tracking down the foragers, you eventually arrived at an abandoned siege tower known as the Broken Hoof. Inside, you discovered and dispatched a group of devils under the employ of a devil named Valgrothis. You freed the foragers from the devils' clutches and returned with news of an ongoing plot against Absalom.
