Adventure Summary

The Society was running out of a rare extract needed to make antitoxins. Only one person can make this complicated reagent. Unfortunately, this person is Tragshi the Herbalist, Chief Poisoner of the Daggermark Poisoners' Guild. In return for making the extract, she wanted a favor from the Society. You survived an ambush prior to their meeting with Tragshi, accompanied her to the annual Outlaw Council, dealt with a bandit problem, and removed the threat of a loose lipped poisoner who was too free with the Guild's secrets.
