Adventure Summary									
You traveled to the arctic moon of Luvoth to meet Uloa Su-Tae, ambassador for the moon's lu-venon population. At their request, you investigated a powerful psychic signal in an icy cave system. Uloa tagged along to oversee the exploration. Outside the cave, you encountered an injured kaylix and ☐ healed it or ☐ let it die. Inside, you fought psychic fungus and uncovered clues about the cave's past inhabitants. You discovered a broken device and ☐ reconstructed it or ☐ failed to reconstruct it. In addition, you rescued ____ kaylix cubs. Throughout your investigation, you had several chances to impress Uloa. You ☐ failed to impress Uloa enough and were asked to leave Luvoth, or you ☐ impressed Uloa so much they invited you back to the settlement of Dallithun for a guided tour and a celebratory feast.
